SCHEDULE 1

1604 Pitt River Road - Rezoning Application

RECOMMENDATION:

That Committee of Council recommend to Council that:

1. The zoning of 1604 Pitt River Road be amended from RS1 (Residential Single Dwelling 1) to RS4 (Residential Single Dwelling 4);
2. Prior to adoption of the amending bylaw, the following conditions be met to the satisfaction of the Director of Development Services:
 - a. Demolition of the existing buildings; and
 - b. Completion of design and submission of fees and securities for off-site works and services including stairwell access from Pitt River Road.

REPORT SUMMARY

This report describes a rezoning application at 1604 Pitt River Road to facilitate its subdivision into two small lots. The proposed development is consistent with housing policies of the Official Community Plan and the site's Small Lot Residential land use designation. The report recommends the developer be required to demolish the existing buildings, upgrade infrastructure and ensure pedestrian access is provided to the lots from Pitt River Road. Staff recommend approval.

BACKGROUND

Proposal: The applicant proposes to rezone 1604 Pitt River Road to enable subdivision into two lots. The subject property is a large 811 m² (8,730 ft²) lot located on the west side of Pitt River Road north of Pooley Avenue and is currently developed with an older single residential home. The sloped site is a predominately single residential neighbourhood.

Location Map

Policy and Regulations: The Official Community Plan (OCP) designated the site as Small Lot Residential and the property is currently zoned RS1 – Residential Single Dwelling 1.

1604 Pitt River Road - Rezoning Application

OCP Land Use Designation

Current Zoning

OCP housing policy suggests the City should “permit small lot, single-detached residential uses in areas designated Small Lot Residential subject to City bylaw requirements”.

A Small Lot Development Permit will be required for each new house to be built on the subdivided lots. The design guidelines in the OCP encourage a high quality of design through a prominent front entrance, second floor articulation and differing appearance from adjacent buildings. The guidelines also encourage vehicle access from the lane, the planting of at least one tree in the front yard and landscaping that provides privacy and minimizes hard surfaces.

Proposed Subdivision: The applicant has provided a preliminary plan of subdivision to demonstrate the site would meet the minimum lot area and dimensions to comply with the zoning bylaw subdivision regulations of the proposed RS4 zone.

	RS4 Zone Regulation	Proposed Lot 1	Proposed Lot 2
Minimum Lot Area	300m ² (3,230 sq.ft.)	402.5m ² (4,332.5 sq.ft.)	410.6m ² (4,419.7 sq.ft.)
Minimum Lot Width	9.5m (31.2ft)	11.4m (37.4ft)	11.4m (37.4ft)
Minimum Lot Depth	28m (91.9ft)	35.18m (115.4ft) <i>Average lot depth</i>	35.9m (117.8ft) <i>Average lot depth</i>

1604 Pitt River Road - Rezoning Application

Trees: There are two trees on the property, a deciduous in the front and a conifer in the rear yard near the lane. Parks staff have assessed the front tree and found it to be in poor condition and not a good candidate for retention. The rear tree, also in poor condition, is located within the vehicle access for Lot 1 and, due to the grade changes of the property; it is not possible to relocate the driveway to retain the tree. The property owner has applied for a tree cutting permit for both trees which has been approved. Each tree will be replaced in accordance with the Tree Bylaw.

Off-site Infrastructure and Servicing: The additional lot will require off-site upgrades to meet the standards of the Subdivision Servicing Bylaw including upsizing the sanitary and storm sewers from Pooley Avenue to the north property line of the site and reconstruction of half the road plus 1m fronting the site, curb and gutter, sidewalk, and street lighting. This property is also located along a segment of Pitt River Road with retaining walls along the street edge. When the retaining walls were constructed stairwells were created to allow pedestrian access to each existing lot. Subdivision will require consideration of street front pedestrian access to the new lot.

DISCUSSION

1604 Pitt River Road - Rezoning Application

The Official Community Plan was amended in 2018 to allow greater opportunity for where smaller lots may be located within established neighbourhoods. This included extension of the Residential Small Lot designation to properties along Pitt River Road. The intent of this designation is to allow for consideration of rezoning for the purpose of subdivision to assist in meeting increasing demand for single residential housing in the community.

The proposed properties will be developed in accordance with the Small Lot design guidelines which require that new buildings complement the current form and character of the neighbourhood.

The OCP encourages the retention of mature trees. Typically, an arborist report is requested for rezoning applications; however, the two existing trees on the property have been assessed as poor candidates for retention by Parks staff through a tree cutting permit application submitted by the property owner. Parks staff have determined that the tree in the rear yard has been repeatedly topped and pruned along the side for lane clearance, and any grade changes due to the slope will also negatively impact the tree. Both trees will be replaced in accordance with the Tree Bylaw and a minimum of one tree should be located in the front yard of each lot in accordance with the small lot design guidelines in the OCP.

Submission of design, fees and securities for off-site works and services including the addition of a new stairwell access from Pitt River Road is a recommended condition of approval prior to adoption of the amending bylaw.

The proposed rezoning would be in keeping with policies of the OCP and the preliminary subdivision information provided by the applicant demonstrates the site would meet the minimum size requirements. Staff recommend approval.

FINANCIAL IMPLICATIONS

The rezoning from one larger lot to two smaller lots has the potential for increased property assessment values resulting in an increase in property taxation revenue once development occurs.

PUBLIC CONSULTATION

A development sign has been posted on the property fronting Pitt River Road. Planning staff have not received any comments in association with the rezoning application. If the application proceeds to Public Hearing, the city would provide notification by mail to residents located within 120m of the site and advertise the Public Hearing in the newspaper.

6.2 For the purpose of section 6.1, storage within a building or structure does not include covering an item with a tarp or other cover.

7. OBJECTIONABLE NOISE

- 7.1 No owner or occupier of real property shall allow or permit such real property to be used so that noise or sound which emanates therefrom is liable to disturb the quiet, peace, rest, enjoyment, comfort, or convenience of individuals or the public, including, but not limited to yelling, shouting, screaming or profane language.
- 7.2 No owner or occupier of real property shall make, cause, or permit to be made or caused, noise or bass sound of a radio, television, player, or other sound playback device, public address system, or any other music or voice amplification equipment, musical instrument, whether live or recorded or live, whether

amplified or not, in or on private property in such manner that is liable to disturb the quiet, peace, rest, enjoyment, comfort, or convenience of individuals or the public.

8. COMPLIANCE ORDER

- 8.1 If an owner or occupier of real property fails to comply with a requirement of this Bylaw, then a Bylaw Enforcement Officer may issue an order requiring that an owner or occupier of the real property bring the real property into compliance with the provisions of this Bylaw within such time as a Bylaw Enforcement Officer considers appropriate in the circumstances.
- 8.2 If an owner or occupier of real property fails to comply with the Bylaw Enforcement Officer's Compliance Order within the time period specified in such notice, the City, by its workers or others, may, at all reasonable times and in a reasonable manner, enter the real property and bring about such compliance at the cost of the defaulting owner or other responsible person.
- 8.3 Such costs shall consist of all costs and expenses incurred by the City to achieve compliance with Section 6 of this Bylaw including, without limitation, administrative costs, costs to attend property by City employees or its contractors as stipulated in Schedule N, of the City's Fees and Charges No. 3892 and the costs of removal, clean up and disposal.
- 8.4 If an owner or occupier of real property defaults in paying the cost referred to in Section 8.2 to the City within 30 days after receipt of a demand for payment from the City, the City may either recover from the owner or occupier, in any court of competent jurisdiction, the cost as a debt due to the City, or if such costs remain unpaid by December 31 of the year in which they are owing, the costs may be recovered as property taxes in arrears in accordance with Part 14 of the *Community Charter*.
- 8.5 Service of the Compliance Order referred to in Section 8 will be sufficient if a copy of the order is:
 - a) served personally or mailed by prepaid registered mail to the owner of the real property as shown on the current year's real property assessment roll;
 - b) regular mail; and
 - c) either posted on the real property or delivered to the occupier of the real property.
- 8.6 When an order is not served in accordance with Section 8.5 (a), such order is deemed to have been served on the third day after mailing in accordance with Section 8.5 (b).

9. FIRST APPEAL AGAINST COMPLIANCE ORDER

- 9.1 The owner of real property who may be subject to a Compliance Order, may appeal to the Bylaw Services Manager at least 7 days prior to the expiration of the time given in the Compliance Order.
- 9.2 The owner of the real property may only appeal in written form.
- 9.3 The Bylaw Services Manager shall determine the appeal by confirming, amending or rescinding the Compliance Order.

10. FINAL APPEAL AGAINST COMPLIANCE ORDER

- 10.1 The owner of real property who may be subject to a Compliance Order, may appeal to Council at least 72 hours prior to the expiration of the time given in the Compliance Order.
- 10.2 The owner of the real property must be given 72 hours advance notice of the meeting at which Council will hear an appeal.
- 10.3 The owner of the real property may appeal in person or in written form.
- 10.4 Council shall determine the appeal by confirming, amending or rescinding the Compliance Order.
- 10.5 Council's decision shall be final.

11. REPEAT NUISANCE SERVICE CALLS

- 11.1 Where a Bylaw Enforcement Officer, member of the fire department or member of the RCMP are required to respond to real property for:

- a) more than one Nuisance Service Call within a 24 hour period; or
- b) more than three Nuisance Service Calls within a 12 month period;

the owner of the real property shall be liable to pay Nuisance Abatement Fees in accordance with the amounts set out in the City's *Fees and Charges Bylaw No. 3892* or each additional Nuisance Service Call responded to at that same real property within the 12 month period following the date of the notice referred to in Section 11.3.

- 11.2 Despite section 11.1 of this Bylaw, where legal title to the real property is transferred, Nuisance Service Calls occurring before the date the new owner obtains legal title to the real property shall not apply to the determination under section 11.1 of this bylaw whether Nuisance Abatement Fees are payable or with respect to the amount that is payable. The new owner shall, in any event, be liable for all unpaid Nuisance Abatement Fees imposed against the real property in respect of past Nuisance Service Calls.

- 11.3 Before an owner of real property is liable to pay Nuisance Abatement Fees, the City shall provide written notice to the owner that:
- a) describes the nature of the contravention or nuisance conduct, activity or condition that have resulted in Nuisance Service Calls; and
 - b) advises the owner of Nuisance Abatement Fees and that such fees are in addition to the City's right to seek other legal remedies or actions for abatement of the nuisance or contravention.
- 11.4 Service of the notice referred to in 11.3 will be sufficient if the notice:
- a) in the case of service on an individual, is served personally or mailed by prepaid registered mail to the address of the owner shown on the current year's real property assessment roll for the real property for which the notice is issued;
 - b) in the case of service on a corporation, is served personally on a director, officer or manager of the corporation or by leaving it at or mailing it by prepaid registered mail to the registered office of the corporation.
- 11.5 Nuisance Abatement Fees shall be paid by the owner within 30 days of receipt of an invoice from the City.
- 11.6 If Nuisance Abatement Fees are imposed in relation to real property remains unpaid by December 31 of the year in which it is owing, the fee may be recovered as property taxes in arrears in accordance with the *Community Charter*.
- 11.7 The City may impose Nuisance Abatement Fees despite a person not being charged with an offence relating to a contravention of this Bylaw or the person being charged with an offence relating to a contravention of this Bylaw being acquitted of any or all charges, including because the charges are withdrawn, stayed or otherwise do not proceed.

12. APPEAL AGAINST NUISANCE ABATEMENTS FEES

 - c) each day such infraction is caused, or allowed to continue, constitutes a separate offence.

15. NO DUTY OF CARE

Neither failure to enforce this Bylaw, nor any error, omission, or other neglect in relation to the enforcement of this Bylaw, shall be interpreted as giving rise to a cause of action in favour of any person.

RECOMMENDATION:

That Committee of Council recommend that Council adopt Property Standards and Nuisance Abatement Bylaw 4190.

REPORT SUMMARY

This report outlines a proposed new bylaw to replace the existing property maintenance bylaw. A nuisance abatement component has been added to the bylaw that enables the City to impose abatement fees allowing for cost recovery on recurring problem properties. The proposed bylaw provides more efficient and effective ways to gain compliance in property standards and address the issue of problem properties that require significant time and resources.

BACKGROUND

In recent years many municipalities (such as New Westminster, Maple Ridge, Kelowna, Nanaimo, Surrey and Kamloops) have adopted bylaws referred to as a Good Neighbour Bylaw or a Nuisance Abatement Bylaw. These bylaws set the framework for dealing with nuisance properties and set criteria for making sure that properties in Port Coquitlam are maintained to a specific standard. While most property owners maintain their properties to a high standard, a few do not. These bylaws help ensure that residents can enjoy their home and property without being negatively affected by neighbours. When a property becomes a chronic or significant problem, this Bylaw will add a process to address the issue.

Additionally, these types of bylaws typically replace existing property maintenance bylaws and often incorporate other items that may be considered nuisance activities such as noise, graffiti and lighting. These bylaws also often contain nuisance abatement fees that can be captured in cost recovery by attaching them to property taxes for recurring problem properties. While Port Coquitlam does not have the voluminous amount of problem properties that other municipality have, it is faced with a consistent handful of problem properties at any given time requiring considerable staff resources.

DISCUSSION

The proposed bylaw will repeal and replace the current Property Maintenance Bylaw No. 2945 by updating and expanding on current standards for property maintenance. For example, it provides more expansive and detailed stipulations for what can be kept on properties and specify where or how it can be kept. It regulates for general unsightliness and includes standards for yard maintenance, discarded materials, noxious weeds, dilapidated vehicles, buildings, and fences, accumulated pools of water and rubbish.

Property Standards and Nuisance Abatement Bylaw

The bylaw includes regulations for graffiti and its removal as well as the nuisance of lighting and the nuisance of noise. The nuisance of lighting is new and regulates lighting that is bothersome to others; however, it excludes street lights, vehicle lights, lights on playing fields and lights on school grounds.

The regulation of noise is intended to be specific to problem properties and recurring noise issues although it is not exclusive to problem properties. The proposed bylaw does not seek to replace the existing noise bylaw but rather to enhance the noise bylaw by providing another compliance tool. This can be managed by addressing common noises that result in police and bylaw attendance by increasing the fines and allowing abatement fees to be added.

Compliance orders

The proposed bylaw outlines a process for compliance orders that have been issued under the bylaw. This detailed process stipulates how a compliance order is issued, the appeal process and the timeline for appeals. It also details the City's authority to recover costs for cleanup or any remediation work. Compliance orders can be used for any property that is not in compliance including problem properties that have recurring issues.

In order for this process to follow procedural fairness an appeal is filed to the Bylaw Services Manager in written form 7 days before the expiration of the compliance date. The Bylaw Services Manager shall determine the appeal by confirming, amending, or rescinding the compliance order. The second and final step of an appeal against a compliance order is to Council. The property owner may appeal to Council in writing up to 72 hours prior to the expiration date given on the compliance order. The property owner may appear before Council or appeal in writing and Council shall determine the appeal by confirming, amending, or rescinding the compliance order.

Nuisance Service Calls

This Bylaw adds a new tool for addressing nuisance or problem properties by adding the definition of nuisance service calls and an abatement fee for repeated attendance by City Staff and RCMP. Nuisance service calls are defined in the bylaw as a response by a bylaw enforcement officer, building inspector, member of the fire department, or of the RCMP to, or abatement of, any activity, conduct or condition occurring on or near real property that is contrary to a provision within section 3, 4, 5, or 6 of this bylaw.

Repeat Nuisance Calls

In order for a property to fall under a repeat nuisance it must meet the following threshold:

- More than one (1) nuisance Service Call within a 24-hour period; or

Property Standards and Nuisance Abatement Bylaw

- More than (3) three Nuisance Service Calls within a 12-month period

If a property falls within the threshold outlined above, nuisance abatement fees will be applied to the property and if not paid within 30 days will be recoverable by attaching them to the property taxes on December 31 of the year that it is owing. Abatement fees are set at \$300.00 per attendance for the following:

Bylaw Enforcement Officers
Fire Inspectors
Building Inspectors
RCMP

The total fees if all individuals listed above were in attendance for the same incident would be \$1200 plus a 15% administration fee as outlined in the amendment to the Fees and Charges Bylaw (attachment 2). This is in addition to any fines that may be issued at the time of attendance.

The fees are calculated by multiplying the hourly rate, time spent, and equipment used. Other municipalities have either set fees at a flat fee with an average of \$250.00 while other municipalities list an hourly wage and charge by the hour. Most municipalities charge \$250.00 flat fee have not recently updated their abatement fees and may explain why the fee is slightly lower. Upon reviewing the abatement fees in other municipalities, it was determined that a flat fee is easier to task administratively.

Appeal Against Abatement Fees

As with compliance orders referred to in this bylaw, the appeal for abatement fees must also follow procedural fairness. The bylaw outlines an appeal process giving the property owner the right to appeal to Council within 14 days of a payment notice. The property owner must be given 72 hours notice of the meeting at which the appeal will be heard and may appeal in writing or in person. Council shall determine the appeal by confirming, amending, or rescinding the nuisance abatement Fees.

Fines

Fines in the Bylaw Notice Enforcement Bylaw and the ticket information Bylaw were established by reviewing fines in other Municipalities such as Coquitlam, New Westminister, Abbotsford, Maple Ridge and Pitt Meadows. The proposed fines summarized below are set higher than the fines in the existing Property Maintenance Bylaw No, 2945 and the existing Noise Bylaw No. 2891 which set out fines for offences at \$150.00 with a reduces fine amount of \$100.00 if paid within 14 days.

The proposed fines are summarized as follows and reflect the fine amount and a discounted amount if paid within 14 days:
