### **E. Premises Used for Mixed Purposes:**

For premises used for mixed or multiple purposes which include a connection or service to a residential premise as well as another use, the Owner shall pay:

- (i) the rate prescribed under Section A of this schedule for each Residential Premise that, directly or indirectly, receives water from the Water System; plus
- (ii) the rate prescribed under Section B of this schedule for the Non-Residential premises.

The City may send a single invoice covering all non-residential strata lots to the Strata Corporation, or Strata Lot 1, as the City may on a case by case basis decide. If the Rates as set out on the invoice remain unpaid as of December 31 of the billing year, the Director of Engineering & Public Works or designate shall allocate volume of water as set out on the invoice among properties that shall pay the Metered rates as set out above, and determine the charges and penalties owing by the Owners of each strata title lot. Such charges shall be deemed to have been due and payable by each owner as of December 31 and the provisions of Section 231 of the *Community Charter* shall apply.

### **F. Recent purchase or sale**

To meet the eligibility requirements in Section 6 (b) and (c) of the Bylaw, the claimant must be the registered owner of the eligible residence and living on the property as his/her principal residence at the time the application is made. Therefore, the application for the waiver must be made prior to the conveyance of the dwelling. This is because sale of the property is conclusive evidence that it has ceased to be the principal residence of the vendor. Once a conveyance is completed, the vendor is no longer eligible for the waiver.

Circumstances may arise in which full utilities are paid by the vendor but no waiver is claimed. The waiver is a reduction of indebtedness for current year utilities and must be claimed by the individual who actually paid that debt. Since the indebtedness was paid by the vendor, no waiver can be allowed to the purchaser. The waiver cannot be prorated.

### **G. Late Payment Penalties:**

#### ***Accounts billed for Residential purposes***

*A penalty of 5% shall be added to the outstanding balances levied for the current year after:*

- (a) the close of business on March 31<sup>st</sup> in each year; or
- (b) the close of business on May 31<sup>st</sup> in each year.

#### ***Accounts billed for Metered purposes***

*A penalty of 10% shall be added to the outstanding balances levied for the current year after:*

- (a) the penalty date established for the quarter period; or
- (b) thirty (30) days from the billing date.
