Dear Mr. Paterson:

Re: 2024-2026 BC Winter/Summer Games

This correspondence is in follow-up to the letter sent to the City of Port Coquitlam requesting consideration be given to host the 2024-2026 BC Winter/Summer Games.

At the March 3, 2020 Committee of Council meeting this opportunity was discussed in detail. After considerable deliberation, the Committee recommended not to proceed with a bid for either of the 2024-2026 BC Winter/Summer Games for the City of Port Coquitlam due to current the lack of sport facilities to support such an event.

Thank you for the opportunity and good luck with the delivery of these future games.

Sincerely,

Lori Bowie
Director of Recreation
